

Spotted: Miley Cyrus & Liam Hemsworth

It's looking like teen queen Miley Cyrus and ex-beau Liam Hemsworth might not be over after all. Cameras recently caught Cyrus grabbing lunch to go with Hemsworth. [Radar Online](#) photographed the pair picking up food at Starbucks and Panera Bread in the Studio City district of Los Angeles. The pair fell for each other last year while filming the movie *The Last Song*, but had announced a little over a month ago that they were officially broken up. Both Cyrus and Hemsworth were suspiciously absent from the MTV Video Music Awards and may have stayed off the white carpet to keep their renewed interest in each other out of the public eye. **What are the top three reasons couples break up?**

Cupid's Advice:

Whether you're on screen or watching from home, maintaining a relationship can be hard. Cupid has some insight into why couples split:

1. Work and other distractions: Like Cyrus and Hemsworth, often one partner has too much on his or her plate to focus on the relationship. If you've spent too much time on an outside project and not enough quality time with your mate, take an evening to remind him he's still your top priority. Make a special meal, rent a movie, or book a couples massage!

2. Unfaithfulness: Rumors swirled around that Hemsworth had his eye on other ladies near the end of his and Cyrus' relationship. The thought that one partner is looking to stray can rip a couple apart. Keep the spark in your relationship by reminding your partner how much you love them.

3. Unequal relationship: When one partner has a different level of commitment or wants more or less affection than the other, it's difficult to keep this imbalance from causing issues. Compromise is the solution, but just make sure you're staying true to who you are to avoid an even bigger and messier breakup in the future.
