What are some qualities that qualify your current fling as a 'bad one'?

Cupid's Advice:

It is hard to determine whether or not your current fling is the right one or not. In life, unfortunately, you must go through a lot of 'bad ones' to discover who you are meant to be with. Although this may not be easy to deal with, once you find 'the one,' it is all worth it. Cupid has some advice:

1. Treats you and your friends disrespectfully: A big aspect of a relationship or current fling is if your partner treats you right. It is also essential for your significant other to treat your friends right. Who wants to be with someone who treats you like garbage? You need to find another person who treats you like you walk on water, someone who looks forward to hanging out with your friends. You know your current partner is a 'bad one' if they are nothing but disrespectful to you.

2. Uses you for what you want: Who wants to be in a relationship where the other person uses you? The answer to that is absolutely no one. It is challenging to know if your current fling will end with an empty wallet or a new guest in your home. However, if your partner consistently crashes at your place because he doesn't have a home, ditch him. If your partner uses you for food, leave him. They are a 'bad one' if they use you.

3. Cheats on you: Unfortunately, if your partner cheats on you...it's over. Pack up your stuff and leave immediately, it is as simple as that.
