How do you know whether to pursue a second date?

Cupid's Advice:

Dating isn't easy. Sometimes you are unsure whether or not it

is worth going out with someone for a second date. Telling whether a person is a good catch can be difficult from only one date. Fortunately, Cupid is here to help you find some answers based on events from your first date:

1. Being on time: It is important for both you and your date to be on time. Being on time shows that your date respects your time and is genuinely happy about being out with you. Respect is the most important factor when dating someone.

2. Kind to others: You know that your date is a good catch if they are kind to waiters or staff wherever the two of you go. This is a sign of a good heart.

3. Cares about your opinion: If your date seems to care about what you think of them then that is a sign that you found a good one. This shows that they like you and want you to like them back. If your date doesn't seem to care, then don't bother wondering about a second date, they are probably not into you or are full of themselves.
