

Russell Brand Speaks Out about Ex-Wife Katy Perry Dating John Mayer

By Andrea Surujnauth

Russell Brand and Katy Perry have been divorced for about seven months now and according to UsMagazine.com, Brand says that he has moved on. He was on Howard Stern's Sirius XM radio show on February 4th and Stern got him to open up about his feelings on the divorce. Stern asked Brand how he felt about his ex-wife dating John Mayer. "What do you make of your ex-wife dating John Mayer?" Stern asked. "Doesn't she know that he's a worse womanizer than you?" Brand jokingly replied, "Worse or better, depending on how you view it." But on a serious note, Brand spoke highly of his ex. He claims he has nothing bad to

say about Perry or her new boyfriend, who she has been dating since July 2012. Despite Stern trying to dig a little deeper, Brand continued to claim that his ex-wife was perfect from top to bottom. He also admits that he is single at the moment and although he would love to have a wife and start a family, he is focusing on himself for now.

What do you do if someone you once cared about is dating someone you view as dangerous?

Cupid's Advice:

When you care a great deal about someone, you just want to see them happy. But what if the new person they are dating seems dangerous to you? What should you do? No worries, Cupid is here for you:

1. Voice your opinion: Tell the person that you are concerned about their new relationship, but do not start questioning their relationship or become too nosy. Just let the person know that you have a concern and that you do not want them to get hurt in their new relationship. After voicing your opinion one time, do not bring it up again otherwise this will chase the person away from you.

2. Let them know you're there: Let the person know that you care for them and you will be there for them no matter what. Let them know that you want them to be happy and you will back them up in any situation. This way if they decide to leave their boyfriend/ girlfriend, they will know that they have your shoulder to cry on and they won't be alone.

3. Stay out of it: After voicing your opinion and letting the person know you are there for them, you have to stay out of their relationship. Do not constantly voice your opinion and do not pick apart their relationship. They are the one that is in the relationship so they are the only one that knows if it is a bad relationship or a good relationship. You can't force

them to do anything that they don't want to do. So stay out.
