What do you do if you have a baby with someone else before you're divorced?

Cupid's Advice:

Having a divorce is stressful, and learning to love after a divorce is challenging. If you do find another person who you love after a rough divorce, hold on to that. If you happen to get pregnant, do not worry about it. Cupid has some advice:

1. No worries: Don't worry about a single thing, worrying about how your soon to be ex-husband may feel about your new child will only stress you out more. You have to focus on yourself and your family to be. There is no need to concern the troubles which might occur, simply focus on you and your incoming child.

2. Explain the situation: Talk to your soon to be ex-husband about the situation going on. If you thoroughly explain what is happening in your life at the moment and how happy you are, he will hopefully understand. If he doesn't understand, that is his fault and not yours. You are moving on with your life and should not be punished for being in love.

3. Life goes on: You must realize that your life has to go on! You can not wallow in your own self despair and constantly be sad. You must soldier on darling. Put on your big girl pants and trump your way on.
