What are some vacation ideas when you're pregnant?

Cupid's Advice:

Getting away when you're pregnant is a great idea to unload stress off yourself and your shoulders. Planning the vacation may be relatively stressful because of traveling, booking, fees, transportation. However, when you get to the vacation, you will be more than grateful that you took the risk. Cupid has some advice:

1. Pregnancy massage: In general, who doesn't love a massage? When you're pregnant, there are many stresses that come upon you. Booking a pregnancy massage for your significant other will make them feel beautiful and allow them to unwind.

2. Beach: Digging your toes into the sand will make all your problems and worries wash away like the ocean. Relaxing your days away on the beach will make you realize how grateful you are to have this opportunity of carrying a child.

3. Weekend to the city: Shopping, museums, parks, cafes; the city has the cosmopolitan atmosphere women love. Enjoy a weekend to the city with all your girlfriends. Wandering, local shops, spending time in a different city can give your life a little more kick.
