They walked the red carpet separately but once the two were inside, it was a completely different story. Rihanna and Chris Brown were seen showing PDA during the Grammy Awards on February 10th. According to UsMagazine.com, these lovebirds were spotted hugging and cuddling together throughout the ceremony. It has been four years since Brown assaulted Rihanna which happened on the night before the 2009 Grammy Awards. Brown was taken to court by Rihanna and is still serving probation for the brutal beating. However, Brown and Rihanna rekindled their love last year and ignored all of the controversy that was stirred up because of it.

What do you do if your friends or family do not like your partner?

Cupid's Advice:

You are in love and happy about it, but unfortunately your friends and family are not so thrilled. They do not like your new beau. What should you do? Not to worry, Cupid is here for you with some advice:

1. Understand them: You have to realize that your friends and family want what is best for you. Do not shy away from the people closest to you just because they do not like who you are with. They just do not want you to get hurt. Understand where they are coming from and accept their feelings.

2. Listen to them: Listen to why your friends and family have a problem with your sweetheart. Let them express their concerns, they may have a point.

3. Show them why you are with your partner: Let them see why you choose to stay with your partner even though they do not approve. Let them get to know your partner so they won't feel as concerned about you and your relationship.
