What are some ways to announce your pregnancy without words?

Cupid's Advice:

Announcing your pregnancy can be challenging; how to do it, who to tell, not forgetting to leave people out. To announce your pregnancy without words, you need to think creatively. Telling people about your pregnancy is one of the most memorable times of your life and doing it without words is harder. Cupid has some advice:

1. Baby bump: Many mothers have been told that they were pregnant before they even announced that they were expecting. This isn't always bad! If you're looking to announce your pregnancy without words, flaunt your baby bump! Wear tight clothes purposefully around your friends and family. You won't have to tell numerous people you and your mate are expecting because they'll ask you!

2. Facebook: There are many ways to announce your pregnancy on Facebook. Obviously, there is the typical status stating "We're pregnant!" or "The long wait is over, we're expecting!" Announcing your pregnancy without words is more innovative. Post a picture of your positive pregnancy test, post a picture of you and your beau with a can of Prego. One of you can hold a sign saying "We are..." and then the other holds the tomato sauce can. Quirky, fun, and easy to do!

3. Send out sonogram: This is an extremely quirky and light way to announce your pregnancy. You can either take a picture of the sonogram and post it online, or email it to your friends and family. Or, you can make copies of the sonogram and send it in the mail to your family and friends, inscribing on the back, "I think this explains enough." Everyone will love the creative idea and gesture of informing them about your baby on the way!
