How do you have faith in your partner when others doubt him or her?

Cupid's Advice:

Keeping faith in your beau when all others around you doubt him/her is hard to do. They give you reasons to be suspicious, reason to doubt your partner, to no trust him, and question him. With this going in in your life, you must keep your relationship with only you and your partner. Do not let outside forces come in and tear down the walls of your love. Cupid has some more advice:

1. Communication: Communication is always key. It is essential to communicate directly and sharply with your partner as others are doubting them. It would also help if you talked to the people who doubt your mate. Ask them why they do? What is their reasoning behind the madness? Make sure your [partner](#) is filled in with what others are saying about them. Remember, communication is key!

2. Trust: If you trust your partner, don't let other people convince you that they're not trustworthy. Some people can be very persuasive with their opinions. However, you have to push their opinions aside and listen to your heart. Do not let outside forces you tell you what you need to do with your [relationship](#), and whether or not you should break up. That is entirely your decision and if you trust your beau, there is no reason to doubt them.

3. Love: Love is all you need. If you [love](#) your partner and your partner loves you, take a deep breath. If you have made it through all the time and obstacles to come to love with your mate, you should not doubt them entirely. For record, there are always exceptions. Chances where the other were right and you should doubt them. However, these events are slim to none and you should only worry about how you can love your partner stronger and better.
