

Anna Mouglalis & Mads Mikkelsen Get it On in 'Coco Chanel & Igor Stravinsky'

Coco Avant Chanel (Anna Mouglalis) is most widely known for the amazing fragrances for women around the world – specifically, Chanel No. 5. Igor Stravinsky (Mads Mikkelsen), a Russian Composer is known for his unpopular musical genius. In the movie, Coco offers Stravinsky the use of her villa in Garches so that he will be able to work. He accepts the offer and decides to move in with his ill wife and children. The attraction between Stravinsky and Chanel is intense and a tempestuous love affair begins. This leads him to compose inspired music, and Chanel's fragrances became immensely popular and in demand.

Cupid's Advice:

This movie is about a love affair but a relationship needs commitment and honesty in order to succeed. Here are five ways to avoid your partner from stepping out and cheating on you:

- 1. Being honest** with each other is the number one method of staying together and maintaining a healthy relationship.
- 2. Communicating** your needs and desires while listening to your partners will ultimately help you stay close.
- 3. Putting your significant other first** when necessary will help your mate do the same.
- 4. Brainstorm together** when you find yourselves at a crossroads. Often times, making the effort to stay on track works to iron out any difficulties along the way.
