Is it healthy to go on vacation right after a breakup?

Cupid's Advice:

After calling it quits, you often need time to yourself to think things over, and sometimes a vacation is the best bet.

Cupid has some reasons it may be okay to take a break after a break-up:

1. Vacate your life: Separating yourself from your life back home gives you the time and space you need to mull things over and figure out what went wrong. Leaving your everyday routine can give you a fresh perspective on what you want out of a relationship.

2. Spend time alone: Going away by yourself can help you avoid jumping into another relationship right away. Being alone will remind you how self-sufficient and independent you can be.

3. Have fun: After you've spent a considerable amount of time thinking about your relationship, forget it! Enjoy your break, and go all out doing things your ex never wanted to do with you.
