By Andrea Surujnauth

Melissa Joan Hart, star of the hit show *Melissa and Joey*, had a house full of sick patients this month. Her three sons Mason, 7, Brady, 5, Tucker, 5 months, and her husband all had the flu. According to [People](#), Hart admitted that her husband, Mark Wilkerson, was the hardest patient to deal with. “Kids bounce back like that. Men ... not. You’d think that no one had ever been sick before!” said Hart. Surprisingly, Hart did not get sick at all. “You’re the mom. You gotta clean it up and keep going. You’re not allowed to get sick. You do not get sick. Especially when you’re working, too.”

How do you show you care when your partner is sick?

Cupid's Advice:

So your sweetheart is sick. What should you do? How do you show your beau that you care about them and want them to get better? Cupid has some advice for you:

1. Be their doctor: When your honey is sick, be their doctor. Tuck your partner into bed and give them their medicine. Check their temperature and make sure they get their rest. They will not only get better faster but they will love the attention that they get from you.

2. Make some home-made soup: When your beau is sick, a great way to help them feel better is to make them some home-made soup. Your partner will appreciate all the effort you put into helping them feel better and when sick, what could possibly be better than a big bowl of hot soup?

3. Keep the kids quiet: If you have kids, the best thing you can do for your sick partner is to keep the kids from bouncing off the walls. This way your sweetie will be able to get all the rest they need and they will definitely appreciate you for that!
