What are some ways to apologize for making your partner cry?

Cupid's Advice:

No matter the situation, it is never a great idea to make your partner cry. Although it is usually inevitable, you should try your hardest not to make your mate shed tears. Did you two get in a fight over money? Over the job you just lost? Or what your parents think of your love? Don't fume up over them, calm your temper and speak like adults. Cupid has some more advice:

1. Flowers: Flowers are pretty much the universal sign for 'I'm sorry.' They show your mate how much you care for them. Not really by how much you spent on them, I mean picking weed flowers won't do. It shows how much they mean to you. Even if you did make your partner cry, the flowers are a symbol for the love you have for your partner. Make sure you pick out their favorite flowers if you really messed up!

2. 'I'm sorry' letter: Letters show words, words show everything in the world. Emotions, feelings, power, strength, love; words can describe anything you wish to say. Say you made your partner cry over a petty fight, quickly grab a pen and paper and start writing away. In the letter, obviously apologize for whatever the situation may be, and express your feelings for you mate. How much they mean to you, how you cannot ever lose them, everything you're thinking.

3. Date: Take your beau out on a date for your mess up. Of course you should always take your partner out every once in a while. However, if you made your partner cry, they deserve a date asap. Take them to their favorite restaurant, or cook a meal at home. Combine the first two with this last one. Bring them flowers and the heartfelt letter you wrote for them on the date and you're all clear!
