What are some ways to make a long-distance relationship easier?

Cupid's Advice:

Long distance relationships are not easy. If anyone may have told you that they are, they have never been in a long distance relationship! Even though long distance relationships are not always the easiest, there are many ways to make them work. These types of relationships can be successful with some effort! Cupid has some more advice:

1. Communication: Communication is necessary for long distance relationships. You and your partner need to talk with one another about everything going on in your lives. To eliminate any drama with social media, rumors, or friends; tell each other everything! It is not easy to work out problems far away hence, you should eliminate any possible problems with communication.

2. Letters: Letters are yes, old-fashioned, but it means a lot when you receive or send one. Letters show that you took time the time to write out, it shows how much you care for your partner. Although it is easy to talk to your mate about your feelings and emotions, it is easier to write them down. Once you begin to jot down your thoughts, your feelings will just flow out. Keep the letters flowing, and the love will continue on.

3. Love: When you decided whether or not to make long distance work in a relationship, you need to make sure that love is present. It is not easy to start off a relationship miles and miles away. You need to know your partner inside and out to make the relationship work long distance. Make sure you are completely infatuated with your mate and the long distance relationship will immensely easier.
