# Two reality TV couples have different opinions when it comes to waiting for marriage. What do you do if you and your partner have conflicting beliefs?

## Cupid's Advice:

Your boyfriend seems to have differing beliefs from you. However, you don't want them to damage your relationship and love in any way. Cupid offers some love advice on how to work through your differences:

**1. Compromise:** You and your love have different religious beliefs. Your man wants to go to church, and you want to go to temple – what now? Make a compromise: Go to church with your man one week and have him come to temple with you the next. You will both appreciate each other's support.

**2. Try new things:** Your partner has always wanted to move to a different state before settling down. You, on the other hand, have no interest in leaving. Try going on an extended vacation over the summer and travel from state to state for a few months. You never know what you will end up enjoying, so don't be afraid to try something new!

**3. Pick your battles:** Your boyfriend has been dead set on getting a dog for the past few months. He has been nagging you about it, but you say no, knowing you'll end up taking care of the pet instead of him. If he continues to bug you about it,

perhaps it's time to cave. He clearly won't give up until he gets his furry friend. Sometimes, you have to do things you'd rather not do – like cleaning up dog poop! – for the one you love. He'll surely take notice of your kindness and will some day return the favor.
