Are there ways to make forgiving a partner easier?

Cupid’s Advice:

Forgiving your partner can be a tough task, especially when they’ve tested your trust. Cupid has some tips for easing the process:

1. Remember the kids: If it’s your spouse that has been disloyal, sometimes you should consider taking the road Rosetta has taken and stay together for your family. It can be more important to stay strong for the sake of children involved than to allow your hurt emotions to take control.

2. Think about the commitment: When it comes time to forgive, it’s important to assess how committed you are to your beau. If in the end you are truly still in love with him, then working it out might be worth a shot.

3. Be selfish: When deciding whether to forgive someone who has betrayed your trust, it's important to still put yourself first. Decide what's best for you, and what will make you happiest. If forgiving your mate will take away from your happiness, maybe it's time to move on.
