What are some ways to support your partner through a tough time?

Cupid’s Advice:

Your love is having a hard time getting through a rough patch in their life. You don’t like seeing your sweetie suffer so how can you help them? Cupid is here with some advice for you:

1. Support: Be there to listen to your sweetheart talk about what bothering them. If they do not want to discuss the problem then do not push. Just let them know that you are

there for whenever they want to talk.

2. Be kind: Your beau might be moody during time of stress. Do not let this get to you. Be kind to them even if they seem to be snapping at you. If you are rude back to them, they will just feel worse and it might create an unnecessary argument.

3. Be positive: Remind your sweetie about all the positive things in their lives but do not push them. If you are overly preppy, they will resent your attitude. Just show them that they have you to make them smile.
