

# Celebrity News: Is Lindsay Lohan Pregnant?

By Meghan Fitzgerald

Lindsay Lohan wrote on *Twitter*, "Its official. Pregnant..." [People](#) reports that if the tweet by Lohan was an April Fool's joke, it sure was a late one, as she posted the sly tweet after midnight. Rumors surfaced of a baby with beau, Avi Snow. If this wasn't a joke, Lohan has an interesting life ahead of her. Having to serve 90 days in a rehab center under lock and key. Ordered to undergo psychotherapy and community service. Too bad she tweeted on Tuesday how it was just a April Fool's joke.

**What are some creative ways to announce your pregnancy via social media?**

## **Cupid's Advice:**

With social media so strongly present in our world today, why wouldn't you want to creatively announce your pregnancy over it? Almost everyone is on it. Even people you wouldn't suspect: grandmothers, priests. There are so many quirky ways to tell your inner and outer circle that you and your mate are expecting. Cupid has some more advice:

**1. Picture of sonogram:** On Facebook, Twitter, Tumblr, any other social media you may have, there are an unlimited number of options to announce your pregnancy. A little quirky and creative one is to post a picture of your sonogram. Your positive pregnancy test will also suffice. Unless your social media audience is naive and oblivious, they'll get the message. And think it is completely adorable!

**2. Facebook photo album:** There are a couple different ways you can approach a addition to your photo albums on Facebook. You can post a picture of a bun in the oven, get it? If you already have children, they could wear a big brother or big sister shirt. Post a picture on your album of a Baby on Board sign. Take a picture of you and your mate with a sign, "We're expecting!"

**3. Change status:** Update a status on social media implying your pregnancy. Some clever ones: "My doctor just advised me not to drink, smoke, or lift heavy objects for the next 9 months." "Team Pink!" "Team Blue!" "We're expanding our home!" "Bring it on morning sickness!" "Now eating for two!" All of these are simple and easy ways to tell your friends and family that you and your partner are expecting a child!

**Did you announce your pregnancy through social media? Explain below!**
