By Andrea Surujnauth

Kim Kardashian and her beau, Kanye West, were seen strolling around Paris on April 2nd looking at baby clothes for their daughter who is expected to arrive in July. Kardashian, who seemed to be getting a lot of heat for her outfit choices, was wearing an all black ensemble that generously covered up her growing baby bump reported UsMagazine.com. Critics have been keeping a close eye on the reality stars outfits and making comments every chance they get. However, Kardashian refuses to let the comments bring her down. Kourtney warned me when you become a mom and become pregnant, there will be this whole new group of critics that will criticize me for everything you do," she said on *Good Morning America* on March 26. "If I wear one color clothes, I'm in this kind of mood. Or if I wear heels, they're harmful." The star went on to explain why she

doesn't care for flats and would rather opt for the heels instead. "You know what, they actually hurt my back. I love high heels ... Whatever makes me feel good, I want to wear. And I love wearing heels. I'm trying the flats, but we'll see." Kim and Kanye have reportedly been dashing around Paris all week buying baby clothes. Just the day before, on April 1st, the two were shopping at Bonpoint, a french children's store. On March 30th they were also spotted racing around the city in a black sports car, once again shopping for their bundle of joy.
