Dating Advice from E!'s *Famously Single* Laurel House on Being That Hot Chick

Even if you're insecure and tend to be the wallflower, you still have a sexy side. In those times, it's best to fake it:

present a more self-assured and happy girl to others, and you'll instantly feel better about yourself. Be sure to define that other side of you too. Does she like to wear high heels? Does she enjoy wearing smokey eye makeup and red lips? It's important that your outer façade matches your inner attitude. Eventually, you'll be that hot chick without a second thought.
