What are some reasons to renew your wedding vows?

Cupid's Advice:

You and your husband have been married for a while now and want to show each other how much you love them still. Cupid is here to show you when it is a good time to renew your vows:

1. Anniversary: Your 10th year wedding anniversary is coming up and you want to make it special. Celebrate it by renewing your vows in front of close friends and family. You will get to relive the biggest day of your life and show your husband how happy he makes you each and every day.

2. Spice things up: Even though you are extremely happy with your husband, things have been feeling a bit routinal lately. Between work, the kids, and weekend errands, the romance of your relationship has been slipping away. Rekindle the flame by renewing your vows. You will get a chance to express your love for each other yet again.

3. Fresh start: You and your spouse have been arguing a lot over little nuisances; you forget to turn off the kitchen light before going to bed, or he leaves a mess after cooking dinner. Take a break from the bickering and remind yourselves why you fell in love. Plan a vow renewal ceremony and write out new vows. You and your husband will see how much love you have for each other and the bickering is sure to die down.
