What are some ways to make a baby shower for a second child special?

Cupid's Advice:

You had one baby shower already, so you don't want your second shower to be a carbon copy of the first. How do you make it special? Cupid has some tips:

1. Theme: Creating a theme for your second shower will make it a very special experience for all of your guests. Try not to go with simple themes like baby animals, go with something more out of this world like Jessica Simpson's Tom Sawyer theme!

2. New Games: Don't repeat games from your last baby shower. Try some new ones, or even better, make up your own! Your guests will love playing something different than the regular old baby shower games.

3. Arts and Crafts: Get your guests involved with baby preparation by having a baby headband or baby hat decorating station. The guests can design a headband or hat for your little bundle of joy. It will increase the excitement for the little one's arrival.
