Cupid's Advice:

It may seem like the perfect relationship, but always be wary of ulterior motives. Cupid has a few tell-tale signs of a hidden agenda:

1. Eagerness: He wants to take you everywhere. He wants to tell all of his friends that he's dating you and shows no restraint in his excitement. While this may be legitimate, it could also mean that he's only interested in trying to impress others. Make sure he's still excited when you're alone together, too.

2. Reluctance: The opposite of eagerness, his reluctance to talk about you with his friends could mean that he's shy, or it could also mean that he's ashamed. He may feel that you are only a temporary solution, and not worth his time or excitement.

3. You're out of his league: If you have turned down most of his friends, then chances are part of him views you as a challenge. While you may be genuinely happy, he may only be thinking about how successful he is in dating a girl like you.
