How do you deal with a jealous ex when you're in a new relationship?

Cupid's Advice:

You are in a new healthy relationship. Unfortunately, your ex seems to be waiting for a chance to attack your relationship. Obviously they are jealous but what can you do about their jealous behavior? Cupid is here with some advice to help you:

1. Distance: Keep your distance from your ex. Do not inform them on where you are going and who you are with. The more you let them in your life, the more ammunition they have to torment you with.

2. Confrontation: Confront your ex on their behavior. Tell them that you have moved on and it is about time that they do the same. Make it clear that you are happy in your new love and you do not want them around messing it up.

3. Professionals: If all else fails, get a restraining order to keep you ex from harassing you. It may seem extreme but if they are continuously trying to ruin your life out of spite, the best thing to do is put your foot down. You need to protect yourself as well as your new beau.
