How do you deal with your partner's busy work schedule?

Cupid's Advice:

You and your partner can't get enough of one another. So how do you handle their busy schedule? You want to be able to see them as much as possible so how do you pull that off if they are always busy? Cupid is here with some advice for you:

1. Communicate: If you can't physically be there with your partner, show them you are thinking of each other by sending each other flirtatious text messages throughout your day. This way, although apart, you will know that you are on each other's minds.

2. Free time: When the two of you finally do have free time to spend together, make the most of it. Do not spend your time sitting on the couch. Get up and do something together. Have fun with your sweetie and make each other feel special during this time.

3. Eliminate distractions: While spending time with your love, make sure you give each other all your complete attention. Put away the cell phones and refrain from answering any work-related calls and emails. Enjoy being together without all of the work stuff.
