What are some unique ways a woman can propose to a man?

Cupid’s Advice:

Even though it is not as common for a woman to propose to a

man, there are still numerous ways to carry it out. Let your creativity flow and think about your mate when you have the proposal in mind. Cupid has some tips:

1. Take it back: When proposing to your beau, keep in mind all of the times you've had together. Travel back in time to your first date, your third anniversary, or your first Christmas dinner together. Make it memorable by sharing emotions, feelings and events you have attended together. This is a laid back and creative way to show your partner how much you love them.

2. Stand tall: You are proposing to your man, so this is not the norm and this whole event is unique. When asking your partner to marry you, remain confident. Don't back down, and do not stray away from what you want to do. Stand tall.

3. Don't rush: When preparing to propose to your man, do not rush it. It is essential that you plan out the proposal just the way he would like. If he is more low key and mellow, plan something personal. If he enjoys extravagant parties and surprises, put your back into it and plan the proposal to the ground. It doesn't have to be perfect, but it does have to be heartfelt.
