How do you surprise your partner on his or her birthday?

Cupid's Advice:

Your partner's birthday is coming up and you want to make the occasion special for them. Cupid is here to show you how:

1. Pop the question: You and your love have been dating for almost two years and have begun talking about marriage. With your partner's birthday coming up, now's the time to buy that ring. Surprise her in front of all her friends by proposing on her birthday. She will love the romantic gesture—and will especially love sharing the moment with the people closest to her.

2. Special gift: For your partner's birthday, get him/her a big present they are sure to squeal about in excitement. Buy concert tickets to their favorite band—get them a smaller present to throw them off at first. Wait a few minutes before giving them the tickets. They will love the anticipation—and of course the present as well.

3. Vacation: What better way to celebrate a birthday than on a beach with your love? Throw your partner a small surprise party a week early and reveal to him then that you planned a week long trip to The Bahamas for the actual day. He will love the big gesture and appreciate your efforts.
