How do you keep rumors at bay in your relationship?

Cupid’s Advice:

Rumors can endanger even the strongest relationships. How do you keep your relationship above water in a sea of gossip? Cupid has some suggestions:

- 1. Comment:** When a rumor is being spread about your love life, comment on the rumor if someone asks you. Let them know the truth. If you choose not to comment, the lies will spread and no one will know what is real and what isn’t.
- 2. Closeness:** You and your sweetie need to have a tight bond and trust each other. This way when rumors are being spread, neither of you will be insecure enough to fall for it.
- 3. Verbalize:** Put the rumor out there for people to see. By acknowledging it in public, people will see that it is clearly just a rumor. Talk about the rumor with your partner so they know that the rumor is floating around so they can help publicly debunk it.
