## **How do you know when it's time to call it quits in your marriage?**

### **Cupid's Advice:**

It is difficult to determine when to call it quits on your marriage. It could be countless fighting, lack of the love you once had. It can be whether or not you feel comfortable in your marriage. It can be anything that you feel is wrong in your relationship. Cupid has some more advice:

**1. Love is gone:** In some cases pertaining to relationships, it is possible to lose the love you once had with your partner. If this has happened in your marriage, don't ignore the feeling and confront your mate about your thoughts. It will not make the scenario any better if you are pushing your thoughts away. Talk to your partner about calling it quits on your marriage.

**2. Emotional abuse:** Are you being emotionally or physically abused by your partner? If you are, this is a strong sign you should call it quits on your marriage. It is not in any way a healthy relationship if you're being abused by the one person who shouldn't be hurting you. Marriage isn't supposed to cause harm on you, so collect your bags and get out of it.

**3. Unfaithfulness:** Have you or your partner been unfaithful in your marriage? If you answered yes to this question, you should probably consider calling it quits on your marriage. Along with emotional and physical abuse, it is not a healthy scenario if you or your mate possess the quality of unfaithfulness. So re-evaluate your life and your marriage, and see if your marriage needs to end.
