Celebrity News: Leonardo DiCaprio Says He's Open to Getting Married

By Meghan Fitzgerald

Leonardo DiCaprio is one busy man. With hits like *Django Unchained, The Great Gatsby,* and the *Wolf on Wall Street* — he has undergone a lot of stress. This summer, according to [*UsMagazine,*](#) the almost 40 year old actor is planning to relax. [*Extra*](#) reports: "To me, right now it's about getting a little breather — getting some time off…just a few months off to do some other things." DiCaprio is currently single but taking the days "as they come."

How do you know if your partner is ready to get married?

Cupid's Advice:

Getting married is a serious matter in your relationship and your life. When you are thinking about marriage, you need to make sure you and your partner are ready for the next step. Cupid has some more advice:

1. Love: Is your love stronger than the gods, mountains, and nature altogether? Does your love heal wounds, hearts, and souls? Does your love make you and your mate grow more as a person, and as a couple? If you answered yes to these, you and your mate are ready to get on board to the marriage train. If you are doubting your love you have for your partner, or your partner has for you – you may not be ready.

2. Finances: Does your partner have their finances in check? Are they independent and strong? It is essential that your mate is ready to join into a combined relationship where financial situations are more than important. It is necessary for your partner to have a strong financial standing in order to take the next step, which is marriage.

3. Trust: Does your mate trust you with everything involving their life? It is essential that your partner does not keep secrets from you. It is one thing to keep secrets in a relationship, it is another to do it while married. You need to make sure trust is in the air before you put a ring on it. If you don't believe your mate trusts you, they may not be ready for the big step in their life.

Have you known your partner was ready to get married? Explain below.
