What are some ways to support your partner's take on fashion?

Cupid's Advice:

It's a strong possibility that your partner could have a different fashion sense than you do. Being in a relationship means you need to be supportive. This being said, there are numerous ways to support your partner when it comes to their take on fashion. Check it out:

1. Embrace: With any hobby, trait or characteristic your mate may have, it is essential that you embrace it no matter what. If your partner loves wearing sweatpants and converse, embrace that. Tell them how much you love their take on fashion. Express your feelings by complimenting them on their day to day outfits.

2. Gifts: It is easy to support your partner's take on fashion – buy them the clothes and accessories they enjoy. The new Michael Kors taupe bag that just came out, go out and buy it for them. If they like wearing \$400 shoes, splurge and buy a pair for your mate. It will not only show them how much you care about them. However, they will realize that you support them in their fashion sense.

3. Participate: Supporting your partner's fashion sense is easy if you dress the way they do. It may not be anything you would ever wear. However, if you do dress up like your mate, they will see how much you care. So pick a random day, or a weekend at home, a grocery store trip – and dress exactly like your partner.
