How do you know when you're ready to get married?

Cupid's Advice:

Marriage isn't something to step into lightly, and it can be hard to know when your relationship is ready for that next step with your partner. Cupid is here to help you figure it out:

1. You bring out the best in each other: Does your sweetheart make you strive to be a better you? If you find yourself consciously inspired to make a difference in yourself, wedding bells may be in the air.

2. Think long-term: If you two lovebirds are already planning for the future together, it's a good sign that things are headed toward at least a very committed relationship.

3. You'd elope: If you want to marry your partner whether you two have a big wedding or not, then you truly love them and it may be time to walk down the aisle (or elope in Jamaica).
