What do you do if you notice your partner is changing?

Cupid's Advice:

Your partner seems to be acting differently and feel a growing distance between the two of you. What should you do? Cupid has some advice for you:

- 1. Talk:** Talk to your sweetie about how you feel. Tell them that you think they are acting differently and find out the reasons behind it. The reason may not even have anything to do with you.
- 2. Change:** Try to go somewhere new together. A change of scenery may be all you and your partner need to rekindle your love.
- 3. Space:** Your honey may just be in a rut or going through a difficult time in their lives. Do not suffocate them. Let them have their space to figure out what is going on with them. Remember absence makes the heart grow fonder.
