Cupid's Advice:

Anniversaries are all about celebrating the commitment you made to your significant other and proving to each other that the love you share together is still as strong as ever. Every couple wants their anniversaries to be one-of-a-kind. Here are some ways to make that one day out of the year one to treasure forever:

1. Write a love letter: In today's world, lives are overrun by the usage of text messages and emails. Do something different by writing your partner a love letter the old-fashioned way. Pour your feelings out on paper and let your significant other know just how lucky you feel to have somebody like them in your life!

2. Plan a getaway: Plan a romantic getaway just for you and your boo. Travel to the Bahamas and have some fun in the sun together, or maybe a quiet weekend in the country side would be more your style. Wherever you decide to go, make sure it's somewhere you and your partner will be able to spend some quality time alone. This is the time to enjoy each other's company without any distractions.

3. Stay in: Decorate your living room with rose petals, pick out a bottle of wine and prepare a home-cooked meal. Pick some of your partner's favorite movies to watch and anticipate a night full of romance, snuggling and whispering sweet nothing's in each other's ears. What could be better than that?
