By Kerri Sheehan

Jessica Alba and husband Cash Warren are still happy in love five years after walking down the aisle! The two met on the set of *Fantastic Four* and have two daughters together, Honor, 5, and Haven, 3. According to UsMagazine.com Alba dished to iVillage, "Making time for our relationship in our daily routine – even though it's surprisingly predictable and may not seem as spicy as our spontaneous pre-kiddo days – [it] really helps keep the romance alive."

What are some little romantic things you can do to make your anniversary special?

Cupid's Advice:

There are many ways to make your anniversary special. Here are some suggestions from Cupid:

1. Hidden envelopes: After being married for five years the honey moon phase tends to dull down a bit. Take this day to remind your partner of the reasons why you love them by stashing hidden messages around the house. Their morning cereal box, their brief case, and taped to their shampoo bottle are some clever places to hid them!

2. Make a mixed CD: Almost everyone uses music to express their feelings and mark special times in their life. Include songs that remind you of your partner and songs that define your relationship.

3. Do a scavenger hunt: Leave clues where your spouse will see them and bring them to all of the places where your "firsts" happened, ex. First date, first kiss etc. Be sure to be waiting at the end of the hunt with flowers and big smile.
