How do you know whether to give your ex a second chance?

Cupid's Advice:

Break ups aren't always permanent. After a period of separation, you may find yourself wanting to get back together with your ex, but is this a good idea? Cupid has some advice to help you decide:

1. Remember why you broke up: Consider what factors led you two to stop seeing each other in the first place. Has anything changed? If not, is this relationship worth renewing?

2. It's not just loneliness: Don't get back together with your ex just to be in a relationship, again. It's perfectly normal to want companionship but having a partner doesn't guarantee you happiness.

3. It's not dependence: If you just ended a long relationship, it may be scary to face the world alone, but don't get back with your ex out of fear. Change can be scary, but it's necessary for growth.
