With summer quickly approaching, it's the perfect time to enjoy a home-cooked meal on your patio or maybe a picnic in your backyard with that special someone. We know that date nights aren't always easy to plan, so we've decided to help you out.

The most important thing for a good date night is to start with a romantic setting. Light a few candles, arrange some fresh flowers around the area where you and your significant other will be spending time together and load up a playlist of soft, romantic tunes. Then, prepare your main course and side dishes – something simple like grilled chicken, pasta salad and roasted vegetables are perfect for a hot summer night. Next, pick out a bottle of wine that pairs well with your meal, like a cool Sauvignon Blanc or a crisp Pinot Grigio. And when it comes time for dessert, we have a little secret that

is sure to impress your date. It's a delicious, gourmet cheesecake by Miss NiNi's Fine Desserts.

Miss NiNi's is an online bakery so you can order it in the comfort of your home.
