What are some ways to support your partner through an unplanned pregnancy?

Cupid’s Advice:

Pregnancy is a beautiful thing, but it isn’t always planned at the right time, which can make it difficult. Cupid has some advice:

1. Talk out your feelings: It is important the two of you discuss your feelings together. Creating a baby with someone means you have to be open and honest, this is no time to hold back how you feel.

2. Look out for one another: This can be a stressful time. Make sure you take time out from other commitments so you can take care of the situation.

3. Acknowledge: understand and acknowledge each other’s roles in the pregnancy and be sure to go through with it. This means helping out with the decision-making and making yourself available to help each other.
