Last Saturday, Kim Kardashian declared her love for Kanye West to the world via Instagram. On June 8, West's birthday, the *Keeping Up With The Kardashians* star posted a collage of photos of her and her beau on Instragram. She wrote, "Happy Birthday to my best friend, the love of my life, my soul!!!!" According to UsMagazine.com, the couple have been together since April 2012 and are expecting a baby girl in July.

What are some ways to say "I love you"?

Cupid's Advice:

"I. Love. You." Over time, those three little words can lose their significance through overuse. That's not to say, though, that you can't still find new and meaningful ways to let your

partner know how much you care. Cupid has some ideas:

1. Bite the bullet: Take some chores off of your partner's hands. Volunteer to do the dishes after dinner or to walk the dog. It may not be romantic, but it's often the the mundane things in life that stand out the most.

2. Spontaneous date night: A bottle of wine and some lit some candles can transform an otherwise ordinary dinner into a romantic evening.

3. Say the words ... and mean them: "I love you" doesn't have to be a hollow line delivery. Saying them while looking deep into your partner's eyes and holding hands can make all the difference.
