What are some ways to keep rumors about your relationship at bay?

Cupid's Advice:

When you first start a relationship, you don't really know what the outcome of it might be and you certainly don't want rumors to ruin it. To keep this from happening, Cupid has some advice:

1. Keep it offline: Keep your relationship off social media. Take it from Ellen and Alex; one little photo of the two started a huge commotion. Don't make yourself look guilty.

2. Lock it: Put a password in your cell phone and computer. This way you do not have to change your new partner's name or allow others to see their messages.

3. Act the same: When in the public eye be sure to act like you would as if you didn't have a new love interest, you would be surprised just how quickly people pick up on things.
