How do you know when it's time to move on from a past relationship?

Cupid's Advice:

Although breakups are painful and often times take some time to get over, there's a point at which you need to move on and make yourself happy. Cupid has some advice:

1. No chance of reconciliation: At the end of the day, if you're not going to get back together, you need to move on. Clinging to the hope of reconciliation may be comforting, but it's not healthy.

2. Your partner has moved on: Your partner can serve as a good litmus to see how long the recovery process should last. If he or she has started seeing other people, it's probably time for you to as well.

3. You're not happy: Sometimes it really is that simple. If your attachment to your ex is making you unhappy, then it's time to let go and move on.
