What are some ways to introduce your newborn to family and friends?

Cupid's Advice:

You're overjoyed to be a new parent but you know that your family and friends are just bursting to get their first glimpse of your little bundle of joy. How best to debut your newborn to the world? Cupid has some ideas:

1. Use social media: Thanks to the internet, you can share photos of your baby with family and friends mere minutes after birth. Be cautious of going overboard, though. As beautiful as your newborn is, flooding your Facebook account with photos of your baby sleeping will get tedious.

2. Skype: Skype is a fantastic option for showing off your little one to relations who live far away. It offers an intimacy that posted photos cannot recreate.

3. Visit in the flesh: Unless there's an outbreak of cholera or bubonic plague in the area, there's no reason why you can't debut your baby in person. Go ahead and introduce your new son or daughter at the house of a friend or relative. This way, everyone gets the chance to hold the baby and say, "hello" in person.
