Is it okay to be attracted to someone other than your mate?

Cupid's Advice:

Cupid knows that it's perfectly natural to be attracted to

someone other than your mate. Here's some suggestions on how to make sure the attraction doesn't turn into more:

1. Keep talking: Open and honest communication is the key to success in any relationship, so knowing how you and your partner feel about attraction to others will keep suspicion and resentment out of the relationship.

2. Consider the options: If you were to cheat, what would the benefits and gains be? If you're in a healthy and lasting relationship, the pros of a quick fling should be less than the cons of ruining your relationship.

3. Check your relationship: If the positives don't outweigh the negatives, then you should see whether your relationship needs some revamping. It may be time to have a serious heart-to-heart with your partner, or it might just be time to end things.
