How do you compromise with your partner when choosing a baby name?

Cupid's Advice:

Baby name picking can be one of the most fun parts of having a child. However, if you and your partner cannot compromise it can also be one of the most difficult. Cupid has some advice:

1. Find a theme you agree on: If he likes unusual names and you like common names, one way to find a meeting point is to agree on a baby name theme.

2. Write it: You and your partner should write down separately a list of around 20 baby names you love. After compare your lists, hopefully you two will have some similarities.

3. Use the middle name: Don't forget you have a middle name to give your baby as well. If you can't agree on one name you can each choose one. Mother can choose the first and father chooses the middle or vice versa.
