**Cupid's Advice:**

Perhaps nothing disproves the old saying, "Sticks and stones can break my bones but words can never hurt me" quite like the impact that rumors can have on a relationship. Cupid has some advice to help get you and your partner through it:

**1. Get away:** Running from your troubles is never a long-term solution but in this case it might be beneficial if you and your beau take some for just each other. Rent out a rustic cabin or check into a bed and breakfast and reaffirm your love for each other.

**2. Talk about it:** There's only one way to differentiate between rumors and truth: *ask!* Maintain an open line of communication with your partner and make sure that you are both comfortable addressing the gossip circulation about you two.

**3. Clear the air:** Confrontation may not be fun but sometimes it's necessary. Go ahead and address those who are spreading rumors about your relationship and set the record straight. As long as you're calm and respectful, there should be no problem.
