What are some reasons to tie the knot at home?

Cupid's Advice:

Choosing a venue is an important part of any wedding. Sometimes the best choice is to stay close to home. Cupid has some advice:

1. Cost efficient: Not having to pay to rent out a venue will definitely save you some dough in the end. That money can be better spent elsewhere, like on your honeymoon.

2. No guest limit: Many venues have an occupancy limit, but getting married at your own home means that you're able to set your own limit. You won't have to stress as much over who exactly to invite to witness your special day.

3. It's more personal: Marriage is scary territory for those who have never experienced it before so being in your own home will help as you will be surrounded by familiarity. In addition, the bride can now get ready for the ceremony in her own bedroom as opposed to some dingy hotel room.
