How do you know if you should get back together with your ex?

Cupid's Advice:

A big part of life is giving out second chances. Cupid has some ways to tell if you should give one to your ex:

1. All has been forgiven: Obviously, the two of you broke up for a reason. It's important to be sure that the reason has been completely resolved before giving the relationship another go. You can't start on a new journey until the old one has ended.

2. Don't bail: Before getting back together with an ex the two of you should make a pact not to abandon the efforts to revive the relationship. Getting back together will take some work so you have to be in it for the long haul.

3. Check your goals: If the two of you have similar goals in life then it is likely you can make a relationship work. If your goals are completely different than rebuilding after a breakup might not be worth the effort.
