How do you know if you should get back together with your ex?

Cupid's Advice:

A big part of life is giving out second chances. Cupid has some ways to tell if you should give one to your ex:

- 1. All has been forgiven:** Obviously, the two of you broke up for a reason. It's important to be sure that the reason has been completely resolved before giving the relationship another go. You can't start on a new journey until the old one has ended.
- 2. Don't bail:** Before getting back together with an ex the two of you should make a pact not to abandon the efforts to revive the relationship. Getting back together will take some work so you have to be in it for the long haul.
- 3. Check your goals:** If the two of you have similar goals in life then it is likely you can make a relationship work. If your goals are completely different than rebuilding after a breakup might not be worth the effort.
