After a breakup, where are some good places to get away?

Cupid's Advice:

When your heart is aching, you may need some space. Some people may recuperate just by having some down time, while others may need a paradise getaway to soothe their spirits. Cupid has some suggestions:

1. Suburbs: Live in a big city? Get some fresh air by stepping outside of your urban environment. The change of scenery will be both relaxing and refreshing.

2. Europe: If you're one of those people who needs serious space after a split, head to an exotic location. Skip romantic activities in Paris, and spend some time with friends in Greece, or relax on a beach in Italy.

3. A friend's house: If you don't have the time or the money to plan a trip, spend some time at a friend's house. You will have a different environment in which to recover and the added bonus of a good friend taking care of you.
