What are some ways to use music to show your love?

Cupid's Advice:

Everyone identifies with music in some way. Use it to show your love. Here's some advice:

1. Dedication: If you and your partner have a night out then make a song request and have it dedicated to your significant other. Music can often say the things that we can't put into words.

2. Radio: You can also call in to a radio station and have them play a request for your lover. This idea is good for if the two of you aren't in the same place. This will show your partner that you're thinking of them even if they're far away.

3. Write: Whether you're a good singer or a bad singer your significant other will still appreciate the effort and thought put into the song. You can even make it short and sweet if you have trouble finding the words.
